

AQUACONTROL®

A SAINT-GOBAIN AUTOVER PRODUCT

Aquacontrol®, the coating that actually repels water and sleet from glass surfaces.

Ford, Kia, Lexus, Mazda, Nissan, Porsche & Volvo have car models, where the Aquacontrol® is factory applied. As the treatment lasts up to 60.000 km or maximum 3 years, the glazing for these models will need to be regenerated. The relevant car models are listed below in alphabetical order according to the car brand & Autover code, also the glazing type and long term description are given.

Ford

2402354221	FDL	ESCAPE 5D SUV 01- FDL GN TC ABSORBING HYDROPHOBIC
